***Allowable Subject Matter***

3. Claims 1-45 are allowed.
4. The following is a statement of reasons for the indication of allowable subject matter:

Relative to independent claims 1, 5, 9, 13, 17 and 21 the major difference between the teaching of the prior art of record (Someya, Kane and Naka) and the instant invention is that the said prior art **does not teach** after each of the n+m display periods begins completing the respective display period by timing on the third TFT; wherein the organic EL element emits light when the second TFT is turned on, and does not emit light when the second TFT is turned off; wherein the first TFT comprises a crystalline semiconductor film, a gate insulating film over the crystalline semiconductor film, first and second gate electrodes formed over the crystalline semiconductor film with the gate insulating film interposed therebetween, and first and second channel forming regions in the crystalline semiconductor film below the first and second gate electrodes, respectively, and a pair of first impurity regions in the crystalline semiconductor film between the first and second channel forming regions and a third impurity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
